Dear Team Nila

As we kick off another exciting year, I want to extend a heartfelt thank you to each and every one of you for your unwavering support and commitment to our sporting community. Your passion and willingness to lend a helping hand truly embodies the spirit of teamwork and sportsmanship.

Whether you're cheering, leading and organising events, or assisting behind the scenes, your contributions are instrumental in creating memorable experiences for organisers, athletes, participants, and everyone involved in our sport eco-system. Your enthusiasm and dedication inspire us all to be the positive driving force, and push the boundaries of what is possible.

I recommend all of you sign up for the announced programmes and initiatives. Your participation can make a significant difference in your personal volunteer development. Let's seize these opportunities for growth and learning!

As we embark on this journey together, let's continue to uphold the values of courage, passion and friendship that define our volunteering culture. Your efforts do not go unnoticed, and I am immensely grateful for the positive impact you make at every opportunity.

Thank you for being the backbone of our sporting community, and here's to a successful and fulfilling year ahead!

Warm regards,
Stefanie Ang

TEAM NILA AWARDS HIGHLIGHTS

"There is nothing more noble than spending some time to give back to society. Volunteering, especially with Team Nila is fulfilling and rewarding. Not only are opportunities given to be involved in high key and significant events, there are also abundant leadership development opportunities."

Vijaikumar (second from left),
Team Nila Volunteer

"Over time I was offered an opportunity, taking on a team leader role because I wanted to test myself, to see if I can motivate others and bring diverse teams together. In 2023, I volunteered at the Standard Chartered Singapore Marathon and the GetActive! Singapore Heartland Festivals in 2023, leading small teams of volunteers."

Hwee Leng (first from left),
Team Nila Volunteer

"When we volunteer, be sincere, have fun, put in our best, and be a team player. We should always have an open and positive mind, to keep learning from people around us. We learn to respect differences and celebrate similarities, as we lead by example. We should always impact on others positively."
